

A new vegetable garden - Year One!

As a family we had been allotment holders on Asheridge Road for some 30 years, happily combining food production with our love of flowers on a strict budget.

How exciting it was, two years ago to move to a new house near Tring with a large garden where we would be able to grow our own in our own space! We decided to make changes to the way we do things, we had built up the allotment over so many years, turning an area of rough grass into a usable veg plot was quite daunting, so we decided to experiment with the fashionable 'no-dig' method.

We knew early on that raised beds would be our best option - the brook running through the garden and the flooded fields gave us the best clues! So, in year one, our first six beds were raised, a wooden frame for each, the grass covered with thick cardboard and then as much rotted manure as we could lay our hands on. Lucky us, we have our own horses which provide us with an inexhaustible supply - although it can be quite a "faff" to bag it up and transport it about in the quantities we need. We also purchased a large bag of topsoil to top it with, I'm not sure if that is included in the prescribed method but it has worked for us! We planted through the thin topsoil into the muck, hoping that the soil creatures would work their magic and create a wonderful loam in the fullness of time.

Well, time to report now that this has taken a lot longer than we thought, and even now coming into our third season we still have a very lumpy growing medium which did not work very well in the high temperatures of last summer. That said, we have a good germination rate and some vegetables have cropped very well particularly early in the second year despite the heatwave.

Next time - we add to the beds and talk about our new pets!

SPRING FLOWER SHOW and AGM - Saturday 1st April

This year we will be CVGS's second Annual General Meeting, and a change to the venue too, as we host an enjoyable afternoon tea on Saturday April 1st amid the entries for the Spring Flower Show at the Methodist Church Hall, Bellingdon Road, Chesham!

The AGM is **open to all members** and is an opportunity to pay membership, socialise, put forward ideas and observations and even **join us on the Committee as we desperately need more volunteers!** This is YOUR Society and we want to make it work for everyone, so come along, meet the committee and enjoy complimentary afternoon tea amidst the flowers.

The Show Schedule and AGM Agenda will be circulated to all members at the end of February and included will be the photographic class titles for the Summer and Autumn Shows.

Diamonds Galore at the sparkling social!

It was like the opening night to a new spy movie; tuxedos, evening gowns, as well as plenty of glamour! However, this was no ordinary spy. Yes indeed, code name 007, James Bond made an appearance in

more ways than one at Bellingdon & Asheridge Village Hall for our social event!

Decorated in the theme of Fleming's MI6 character, black and white streamers, posters of all the trademark films, creating the perfect atmosphere for our marvellously adorned guests as they entered dressed to impress. Fancy dress was optional, however many adopted their favourite character or wore something in keeping with the spirit of the occasion, as they missed getting out their "glad rags".

Guests delighted in testing their James Bond knowledge on the challenging

quizzes our Treasurer (aka "M") had created. The films, the theme tunes, and general Bond trivia; you had to know your Bond! A box of chocolates was the prize for the winning table, shared by all present. A big thanks to Nicola for her hard work preparing the quiz.

There was much laughter, talking and socializing (answer sharing too!) whilst guests enjoyed a delicious three course "Bond-themed" meal. The Espresso Martini Cheesecake, Austrian Apple Cake and Roulette Pavlova deserts would've made the Casino Royale proud. A big thank you to Lynne, Connie and all the helpers in the kitchen. An enjoyable evening was had by all!

WONDERFUL WISLEY

The outing to RHS Garden Wisley, situated in Surrey, took place on Saturday 20 August 2022 on a lovely sunny day.

The members met at the impressive entrance and were divided into two groups, each group led by a professional guide who explained the history of Wisley and the various planting schemes. Each group walked

extensively around the site, stopping to admire interesting features, have a chat and take photos of the diverse planting schemes. There is a beautiful rock garden with waterfalls, a rose garden, orchard, vegetable garden, and other different themed "garden rooms". Some members visited the Arboretum containing champion trees and the spectacular Glasshouse containing many exotic plants in different climate zones.

The inspirational planning of this RHS Flagship Garden, gave members the

vision of how they could improve on their own gardens, some making notes of their favorite plants as they walked along. Some members visited the Sky Terrace café, pausing to admire the view of the estate, as well as purchase refreshments. After extensive walking around the grounds, members were treated to a delicious cream tea with jam, scones and cake. There was plenty of time to go shopping for a plant and visit the shop selling books and gifts. This was a truly memorable day. **Janet Stephens**
