

## SNOWDROP TALK and GARDEN VISIT

**Sunday 25<sup>th</sup> February 2024 2.30-4.30pm**

Did you know there are 19 different Snowdrop species and close to 1,000 named varieties and cultivars? Collecting Snowdrops is an addictive passion for some, and Galanthophiles (Snowdrop enthusiasts) will pay hundreds of £'s for a single rare bulb.

Someone I know paid £300 for a pot of 3 bulbs a few years ago!

Katharine Hersee, Chair of Ballinger Hall Horticultural Society, has a passion for growing Snowdrops and has offered to open her garden to us on 25<sup>th</sup> February for a talk and tour, followed by warm tea and cake indoors.

*Galanthus woronowii*

**Address:** Touchwood, Grimms Hill, Great Missenden HP16 9BG

**Cost** £10 per person to include a talk, tour of her snowdrop collection and expansive gardens, tea and cake. All proceed to the National Garden Scheme charities.

**Payment:** 1) **Bank Transfer** Lloyds Bank - Account Name: Chesham Vale Gardeners Society; Sort Code: 30-99-50; Ac. No. 23298763 (**please put your name as reference**). 2) **Cheque** (made payable to Chesham Vale Gardeners' Society). 3) **Cash** at one of our February Potato Sales at our Trading Cabin.

*'Touchwood' Alpine Bank*

**PLEASE BOOK BY SUNDAY 18<sup>th</sup> February.** Any queries contact Adrian, and let us know if you may require a lift or can offer one.

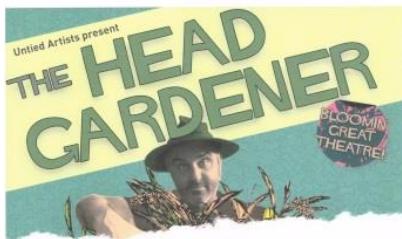

## Spring Flower Show & AGM

Come join us for this year's AGM. It's **open to all members** and is an opportunity to pay membership, socialise, put forward ideas and observations and even **join us on the Committee as we desperately need more volunteers!** This is YOUR Society, and we want to make it work for everyone, so come along, meet the committee and enjoy complimentary afternoon tea amidst the flowers.

The Show Schedule and AGM Agenda will be circulated to all members at the end of February and included will be the photographic class titles for the Summer and Autumn Shows.

## The HEAD GARDENER – a theatre show not to be missed!

**Chesham Library**  
Saturday 2nd March 11am-12pm  
A delightful theatre show that digs deep into the reasons why we could all do with a bit more horticulture in our lives.  
Tickets £5, available online or in the Library

REKINDLE  
GET CREATIVE IN LIBRARIES

ARTS COUNCIL  
ENGLAND

Glenelg maltings

It explores the life stories of the two performers, one a theatre maker and the other a garden designer, with a particular focus on mental health and how it can be improved through gardening. It is a gentle and hopeful show which has had brilliant reviews; Alan Titchmarsh called it 'living proof that gardening is good for you'. The project is part of the Healthy Libraries and Rekindle initiatives, so has been funded in turn by Public Health and the Arts Council. **Tickets are only £5.**

Chesham Vale Gardeners Society will have a stand in the library so do come along, enjoy the performance, and come and talk to us. An opportunity to renew your membership for 2024!

## From Seeds to Plants – we need your help!

January is usually cold and uninviting, yet the gardener can see the days getting longer, waiting in anticipation for the warmer seasons to come. For the more experienced, or very daring, seeds are ordered, even germinated for early blooms and crops. For me, there's nothing like the joy, and relief, of seeing your seeds begin to grow, then nurturing them until they're large enough to pot-on. The thrill of cultivating your seedlings to young plants ready for my beds, is only challenged by the fact there are unwanted leftovers. I hate waste, so end up desperately offering excess plants to neighbours, and other plot holders alike.

If, like me, you find yourself with excess plants, the society would really like your help. Our two annual plant sales in May are always a success, but last year we saw demand for a greater variety of blooms, herbs, and, not for the first time, especially vegetable plants, which were in short supply. Therefore, we're asking our members to kindly sow extra seeds this year, donating the extra

plants to the society for our May sales. Blooms, herbs, and vegetable plants of all types will be warmly received. Help us spread the joy of gardening.

**P.S. Don't forget your Sutton's and Dobies Discount codes.**

# TRADING CABIN NEWS - SALE OF SEED POTATOES, ONIONS, and SHALLOTS in February 2024.
